

DATASHEET

RJ45 Connector STP, Cat.8.1, field-terminable, bayonet

General data

Assemble professional network connections quickly and securely

The field-terminable Cat.8.1 RJ45 connector enables simple and reliable termination of shielded Cat.8 installation cables directly on-site. Thanks to the integrated cable pre-sorter with printed TIA/EIA 568 A/B color codes, wiring is quick and error-free. The robust bayonet screw connection ensures secure cable fastening and reliable strain relief. The included dust cap protects the contacts from dirt and damage during storage and operation.

Your benefits at a glance

Cat.8.1 high-performance standard – for future-proof high-speed networks

Quick and easy installation – Color-coded cable pre-sorter simplifies installation

This datasheet was created automatically on 29-06-2026 . Technical changes reserved.

DATASHEET

RJ45 Connector STP, Cat.8.1, field-terminable, bayonet

Secure strain relief – reliable cable fastening via bayonet screw connection

Product highlights

Field-terminable RJ45 connector for shielded installation cables
 Cat. 8.1 Performance for demanding network applications
 Suitable for conductor cross-sections from **AWG22/1 to AWG24/1**
 Cable pre-sorter for fast and clean installation
 Pair management according to **TIA/EIA 568 A/ B**
 Color codes printed directly on the cable pre-sorter
 Supports PoE up to **4PPoE according to IEEE 802.3bt**
 Rugged bayonet screw connection for secure cable attachment and strain relief
 Includes dust cap to protect the contacts

Package Contents

1 × RJ45 connector Cat. 8.1
 1 × dust cap
 1 × installation guide

Ideal for

Data centers and server rooms
High-performance network infrastructures
Structured building cabling
Applications with high bandwidth requirements
PoE-enabled network environments

Technical properties	
360° shield contact	True
AWG-range	24 - 22
Cable diameter	8,5
Category	Cat.8 Class 1
Complaint to UL94	V-0
Connection type	Insulation displacement connector
Contact Resistance	≤ 20
Current capacity	2
Dielectric Withstanding Voltage	1000

This datasheet was created automatically on 29-06-2026 . Technical changes reserved.

DATASHEET

RJ45 Connector STP, Cat.8.1, field-terminable, bayonet

Dust cover	true
Insertion force	≤ 30
Insulation Resistance	≥ 500
Mating cycles	≥750
Model	plug
Operating Temperature	-10 - 60
Screened	True
Suitable for round cable	True
Suitable for solid core	True
Type of connector	RJ45 8(8)
Type of locking	Screw lock

Available variants

ArtNr.	Bezeichnung	Color
89062.1	RJ45 Connector STP, Cat.8.1, field-terminable, bayonet	silver
